Subject: Pro-Mod class weight restrictions

This amendment is issued under the provisions of the BMF National Sporting Code Article 17(2) in confirmation that the following amendments, notices or points of clarification have been authorized to the text of the Supplementary Regulation of the above named event. It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

Implementation: Round 3 (dates) and Round 4 (dates)

Waiver of weight restriction stated in Article 12.8 on the Pro-Mod class for all cars running slower than 3.800 seconds. Cars that run faster than 3.800 twice in one round during qualification or elimination will have to adhere by the weight restriction of the class.

Enforcement: Drivers who break the 3.800 second will be informed by the event officials to manage the weight of the vehicle for the following run(s).

Reason for change:

As Requested by competitors of the class to improve competitiveness and reduce the impact of unavailability of tuners and related costs.
