

2022/2023 Bahrain Auto X Championship

Rules & Regulations

The Bahrain Auto X is organized and run by Bahrain Motor Federation

The Bahrain Auto X will be governed by these rules and regulations which have been approved by the Bahrain Motor Federation (BMF).

They should be adhered to and used in conjunction with the National Sporting Code of the BMF. Officials of the event

Organizer: Bahrain Motor Federation

Race Director: Clerk of the Course: Osama Albuflasa

Chief Scrutineer: AbdulRahman Ghuloom

1 General Rules

1.1 The Bahrain Auto X will be run in the form of an Auto test, Competitors will negotiate a pre-determined course marked out by cones. The course will be set in a manner as to emphasize driver skill and car handling rather than outright horsepower.

1.2 The competitors finishing position will be graded by the time taken to negotiate the course from start point to finish point by use of a computer controlled timing system.

1.3 Competitors will wear an approved crash helmet by the Scrutineer at all times when on the BAHRAIN Auto X course.

1.4 Competitors will have securely fastened seatbelts at all times during their runs on the BAHRAIN Auto X course.

1.5 National dress (thoub) and open toe shoes/sandals are forbidden, Competitors must wear full length trousers/jeans and racing boots or sports shoes when driving.

1.6 When attending the event competitors are expected to abide by the rules and regulations set out by Bahrain Motor Federation, any competitor found to be breaking the rules, acting in a dangerous or aggressive manner, guilty of general misconduct or causing damage to property will be disqualified from the event, repeat offenders will be disqualified from the championship and banned from attending future rounds.

1.7 Any competitor found to be driving dangerously at or near the event will be disqualified and will face being banned from future events.

1.8 The Speed limit in the Paddock area and staging area is 10kmh, No warming up of tyres or brakes is allowed to take place in the paddock area or on any of the roads within or around track, and all offenders will be disqualified.

1.9 Competitors will follow at all times during the event all instructions given to them by Timing Officials, Stewards, Marshalls and Event Organizers.

1.10 Competitors will not disturb or approach the timing officials at any time during the event.

1.11 Competitors will only be allowed to participate in one class during event

1.12 Protests and appeals will be handled as per BMF Regulations, Protests should be submitted in writing to the Race Director or Clerk of the Course, and accompanied by a fee of 100 BD.

2 Eligibility

2.1 Competitors must be registered to the BAHRAIN Auto X by completing a registration form and returning it to the Bahrain Motor Federation, entry to the event is entirely at the discretion of the Event organizers.

2.2 All competitors must produce a minimum of a valid National D racing license, Obtainable on the night by completion of the National D license form, presentation of a passport photo and payment of the fee required.

2.3 All competitors must have signed a driver disclaimer form and attended the compulsory drivers briefing before taking part in the event.

2.4 The event is open to all cars that pass the scrutineering Inspection and are in compliance with all the rules and regulations laid out by the Event organizers.

2.5 Vehicles may be shared by two registered drivers but only after attaining authorization from the Event organizers.

2.6 All Vehicles competing in the BAHRAIN Auto X event must display their competitor numbers on both sides of that vehicle, they must remain readable at all times during the event, they will be provided by the organizers at registration.

2.7 All competitors are required to fill out the compulsory driver information sheet to aid commentary during the event.

3 Conduct of Runs

3.1 All competitors will be given a minimum of 2 runs over the designated course at each event.

3.2 Each driver will be given the opportunity to walk the course prior to the event, and then participate in a further familiarization lap in their car before the timed laps begin.

3.3 Any competitor found to be practicing on the course before the event begins will be disqualified.

3.4 Competitors will run in order of their appropriate class, once all cars from that class have run the course the proceeding class will start their runs.

3.5 Any delay by competitors to start their run will result in that run being awarded a DNS (Did Not Start).

3.6 The Start line, Staging Area and Course Entrance from the paddock area will be kept clear at all times.

3.7 Re runs will only be applicable due to timing system malfunction or a course obstruction.

3.8 A minimum of 2 vehicles must run prior to a re run, failing that a two minute timed cooling period will be used.

3.9 Penalties will be awarded for contact with cones and course deviations as follows;

3.9.1 Contact with cone resulting in cone falling over, or moving from its marked box + 2 seconds added to overall time for each cone.

3.9.2 Course deviations, whereby a car leaves the course or misses a corner due to a slide or spin, but fails to return to the course at or before the point it exited will result in a disqualification for that run.

3.10 Runs will be timed by a computer controlled timing system.

3.11 In the cases of a tie the previous best times will be used to judge the winner, if this still results in a tie then the officials will order a re-run of the course by the competitors affected.

3.12 Awards will be given for the top 3 competitors in each class.

4 Points System & Awards:

4.1 Awards will be presented in the form of Trophies to 1st, 2nd and 3rd place holders' based on the fastest time of all heats for each class.

4.2 Bahrain Auto X is classified as a competitor only Championship.

6 Cars

6.1 The class that a car is eligible for is the Scrutineers decision and this decision is final and non-appealable.

7 Classes

- Standard-Sub Classes A,B
- Modified- Sub Classes A,B
- Supercar
- Unlimited

7.1 Standard Class

Is a class for standard production road cars.

7.1.1 All cars competing will be in as supplied by dealer configuration.

7.1.2 Class B – up to 2500cc naturally aspirated + forced induction Turbo/Supercharged.

7.1.3 Class A – 2501cc upwards + forced induction Turbo/Supercharged and all 4WD.

7.1.4 Cars with forced induction engines, (turbo charged or supercharged) will have an equivalency factor of 1.7 applied to the cubic capacity to determine their class.

7.1.5 All cars competing must be in roadworthy condition and hold valid registration documents.

7.1.6 They will be in “as supplied” by dealer condition,

7.1.7 All cars must utilize their standard full interior, bodywork and windows.

7.1.8 No weight saving can be derived from the stripping out of interior trim or replacement of body panels/glass/seats etc. for any lighter composite or plastic materials.

7.1.9 Modifications permitted are those listed below.

7.1.10 Wheels may be changed for aftermarket items.

7.1.11 Type of tyres are optional .

7.1.12 Cosmetic modifications such as and not limited to (spoilers, front lip, side skirts etc.) with no aerodynamic advantage are permitted, at the Scrutineers discretion, which is considered as final and non-appealable.

7.1.13 Special track orientated models are not eligible and will be moved to the Unlimited class.

7.2 Modified Class

Is a class for lightly tuned/modified road going cars.

7.2.1 Class B – up to 2500cc naturally aspirated + forced induction Turbo/Supercharged.

7.2.2 Class A – 2501cc upwards + forced induction Turbo/Supercharged and all 4WD.

7.2.3 Cars with forced induction engines, (turbo charged or supercharged) will have an equivalency factor of 1.7 applied to the cubic capacity to determine their class.

7.2.4 All cars competing must be in roadworthy condition .

7.2.5 All cars must utilize their full interior, bodywork and windows.

7.2.6 Modifications permitted are those listed below.

7.2.7 Air filter may be changed for aftermarket item.

7.2.8 Exhaust maybe changed for aftermarket item but car must remain silenced, no straight thru pipes.

7.2.9 Suspension Springs/shocks are free.

7.2.10 Roll bars/sway bars may be swapped for aftermarket items.

7.2.11 Wheels may be swapped for aftermarket items.

7.2.12 Brakes may be swapped for aftermarket items, Discs and pad materials are free.

7.2.13 Type of tyres are optional .

7.2.14 All other parts not mentioned above must remain as standard manufacturer specs, and un-modified in anyway.

7.2.15 Special track orientated models are not eligible and will be moved to the Unlimited class.

7.3 Supercar Class

Supercars from all the main manufacturers to compete against each other.

7.3.1 Manufacturer Spec Track inspired models, I.E Porsche GT3RS, Ferrari F430 Scuderia etc.

7.3.2 All Supercars as supplied from the manufacturer are eligible I.e. Ferrari, Lamborghini, Audi R8, Corvettes Z06, All Porsche Turbo models, GT2, GT3 etc.

7.3.3 Tyre compound is optional.

7.3.4 No Limits on modifications.

7.3.5 Cars must be considered safe to operate / drive in the opinion of the scrutineers.

7.4 Unlimited Class Is a class for highly tuned/track/race cars. Modifications are free as long as the car remains eligible under the general rules.

7.4.1 All lightweight cars will be automatically entered in to this class i.e. Caterham, Westfield's, Radicals, Ariel Atoms, Lotus Elise and Exige etc.

7.4.2 Permitted modifications are listed below.

7.4.3 Cars must be considered safe to operate /drive in the opinion of the scrutineers.
