The BMF Sporting Commission has reviewed the draft regulations submitted for the Bahrain Ramadhan Karting Sprint Challenge.

The Commission's feedback is as follows:

1. **Appendix 1 article 5.1** we notice that higher points are being awarded to the pre-final race rather than the final race. We find that slightly awkward since podium is based on the final race only
2. This is quite uncommon. Would be good to hear from the promoter if this is intentional or just over looked

The Commission will require reviewing these changes pending any further approval.
