Event: Bahrain Karting Sprint Championship 2014-15

Subject: Proposal from Promoter for replacement date for R4/R6 of Bahrain Karting Sprint Championship

Case:

The BMF Sporting Commission received a proposal from the Bahrain International Karting Circuit on 1/2/2015 (attached).

Background:

Promoter submitted a request on 18/1/2015 (attached) requesting the postponement of R4/R6 of Bahrain Karting Sprint due to a clash with school exams. The Promoter indicated that "a new date" shall be set. The BMF Sporting Commission approved this request on 1st Feb, 2015 based on the assurance that a new date shall be proposed to compensate.

Decision:

The BMF Sporting Commission declines this proposal on the following grounds:

1. Promoter has not fulfilled the undertaking to replace the canceled round with a new round and as such is in contravention of National Sporting Code Article 13.
2. The Promoter did not indicate a reason for not providing a replacement date.
3. The Promoter's proposal in the correspondence dated 1/2/2015 requests "adding an extra Race" to the next two rounds to compensate for the canceled round. This:
 - a. Contravenes with the approved the Event Format stated in the Supplementary regulations of the Bahrain Karting Sprint Championship, and also the total number of rounds that the Promoter has committed to in the BMF National Calendar.

- b. Provides an unfair replacement to Drivers, whereby Driver(s) missing the upcoming round(s) or unable to race due to technical faults will lose more points than a normal round.

The Promoter is requested to provide a replacement date for the canceled round within 5 days of issuance of this Decision or face further sanctions.

On Behalf of the BMF Sporting Commission
